This appendix serves as an explanatory statement, as required by the Listing Rules, to provide the requisite information to enable you to make an informed decision on whether to vote for or against the special resolution to approve the grant of the Repurchase General Mandate to the Board. Neither the explanatory statement set out in this appendix nor the proposed share repurchase has any unusual features.

Hong Kong Exchanges and Clearing Limited and The Stock Exchange of Hong Kong Limited take no responsibility for the contents of this document, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss however arising from or in reliance upon the whole or any part of the contents of this document.

LISTING RULES RELATING TO THE REPURCHASE OF SECURITIES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their securities on the Stock Exchange subject to certain restrictions, the most important of which are summarised below. The Company is empowered by the Articles of Association to repurchase its own securities.

REGISTERED CAPITAL

As at the Latest Practicable Date, the registered capital of the Company was RMB7,972,854,242, divided into 1,762,191,406 Domestic Shares and 6,210,662,836 H Shares, with a nominal value of RMB1.00 each. Subject to the passing of the proposed resolution for the grant of the Repurchase General Mandate and on the basis that the number of the total issued Shares of the Company remains unchanged on or prior to the date of the AGM, the Company will be allowed under the Repurchase General Mandate to repurchase a maximum of 621,066,283 H Shares, being the maximum of 10% of the total number of the H Shares in issue (excluding treasury Shares, if any) as at the date of passing the relevant resolution.

The Company may cancel the Shares bought back under the Repurchase General Mandate, and/or hold them as treasury Shares subject to, for example, market conditions, purpose of repurchase and its capital management needs at the relevant time of the repurchase.

REASONS FOR THE REPURCHASE

The Directors believe that the Repurchase General Mandate is in the interests of the Company and the Shareholders as a whole. An exercise of the Repurchase General Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and the Shareholders.

FUNDING OF REPURCHASES

In repurchasing the Shares, the Company may only apply funds from the Company's internal resources legally available for such purpose in accordance with the Articles of Association, the Listing Rules and the applicable laws, rules and regulations of the PRC, including, without limitation, surplus funds and undistributed profits of the Company.

Taking into account the current good working capital position of the Company, the Directors consider that, if the Repurchase General Mandate were to be exercised in full, it would not have a material adverse effect on the working capital and/or the gearing position of the Company as compared with its position as at 31 December 2024 as disclosed in the Company's latest published audited accounts contained in the annual report for the year 2024. However, the Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company. The number of Shares to be repurchased on any occasion and the price of repurchase of Shares and other terms upon which the same are repurchased will be decided by the Directors at an appropriate time having taking into consideration the circumstances then prevailing which shall be in the best interests of the Company and the Shareholders as a whole.

MARKET PRICES OF H SHARES

The highest and lowest prices at which the H Shares were traded on the Stock Exchange during each of the previous twelve months preceding the Latest Practicable Date were as follows:

Month	H Share (HK\$)	
	Highest Price	Lowest price

DIRECTORS' UNDERTAKING

The Directors will exercise the power of the Company under appropriate circumstances to make purchases pursuant to the Repurchase General Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws, rules and regulations of the PRC.

DISCLOSURE OF INTERESTS

None of the Directors or their close associates (as defined in the Listing Rules), to the best of their knowledge, having made all reasonable enquiries, has any present intention to sell to the Company any of the Shares if the Repurchase General Mandate is approved at each of the AGM.

None of the core connected persons (as defined in the Listing Rules) of the Company has notified the Company that he, she or it has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Repurchase General Mandate is exercised.

If a Shareholder's proportionate interest in the voting rights of the Company increases upon the Company exercising its powers to repurchase Shares pursuant to the Repurchase General Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, AVIC was the controlling Shareholder of the Company directly and indirectly holding 59.63% of the issued share capital of the Company. The Company expects that the exercise of the Repurchase General Mandate in full will not have any implications for AVIC under the Takeovers Code. Assuming that the number of total issued Shares of the Company remains unchanged between the Latest Practicable Date and the date of a repurchase, an exercise of the Repurchase General Mandate whether in whole or in part will not result in the percentage of the Shares held by the public being less than the relevant prescribed minimum percentage as required by the Stock Exchange.

Moreover, the Directors will not make Shares repurchase on the Stock Exchange if such repurchase would result in the requirements under Rule 8.08 of the Listing Rules not being complied with.

SECURITIES REPURCHASE MADE BY THE COMPANY

The Company did not repurchase any Shares (whether on the Stock Exchange or otherwise) during the six months immediately preceding the Latest Practicable Date.
